

SUGGESTIONS FOR ADULT CHAPERONES

- Bring water - there are only two drinking fountains on the Fairgrounds
- Put the cell phone number of someone from your group on the children's name tag. This provides staff an easy way to reunite lost children with an adult.
- Arrange for a "gathering" place for lunch and for the end of your visit. This lets you have a chance to exchange ideas and experiences.
- Bring hand sanitizer. There will be stations for hand washing around the Fairgrounds, but they are often very busy.
- Encourage students to use trashcans and recycling bins
- Some food vendors will be open; however, you may bring bag lunches for your convenience.
- Remind your students to "use their eyes not their hands" when they look at the exhibits.
- **Get your entry tickets and parking pass from your teacher for yourself and group before arriving at the fairgrounds.**
- **When entering the fairgrounds gate, each student and adult needs to have their ticket in hand for the ticket taker.**
